3. Event Philosophy

It is the intention of the organizing committee to provide challenging competition for the competitors in an affordable venue. We recognize that participation in rallying can be expensive and that frequently beginning drivers feel priced out of the sport. We also feel that time is as valuable (more so, for some) as money. So we are designing a series of events to meet these criteria and make rallying easier to access. We sincerely hope you will enjoy the event. We thank Snow States Auto Sports Club for its support.

3.1 Headquarters

Nemadji Trail 1A and 1B will be headquartered at: Duquette Community Center, Hwy 23 @ Cty 47, Duquette, MN 55756. All event activities will be held just outside of the Duquette General Store or the Community Center. Registration and awards will be at the Duquette Community Center. The Service Area will be located in the lot to the north of the General Store.
